The United Doctors Specialist, licensed by the State of Missouri for the treatment of all diseases, including deformities, nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of treatment. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

The United Doctors are experts in the treatment of chronic diseases and so great and wonderful have been there results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, rheumatism, sciatica, tapeworm, leg ulcers, weak lungs and those afflicted with long-standing, deep seated, chronic diseases, that have baffled the skill of the family physician, should not fail to call. Deafness often has been cured in sixty days.

According to their system no more operation for appendicitis, gall stones, tumors, goiter, piles, etc., as all cases accepted will be treated without operation or hypodermic injection, as they were the first in America to earn the name of Bloodless Surgeons, by doing away with the knife with blood and with all pain in the successful treatment of these dangerous diseases.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it for ever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you.

Worn-out and run-down men or women, no matter what your ailment may be, call, it costs you nothing.

Remember, this free offer is for this visit only.

## \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & CO., Toledo, O.  
Sold by all Druggists. Take Hall's Family Pills for constipation.

See Those  
Four Loaves

ZEPHYR did make that many more than I've ever baked from a single sack of any other flour.

I counted every baking to see.

The grocer was right. ZEPHYR is worth more than his other kinds. For those four loaves makes ZEPHYR the most economical flour we can buy. It gives us 40c more bread per sack.

It is easy to get several more loaves from each sack of

ZEPHYR FLOUR

because its high gluten content gives it great absorptive qualities—makes it greedy for sponge. You use less flour, more water and stronger yeast.

Isn't it worth while trying just one sack of ZEPHYR to prove this for yourself?
